2 - Offer description

As per the terms laid down in *Regulamento de Bolsas de Investigação da FCT* (FCT Regulation for Research Fellowships), approved by [Law no. 40/2004](#) , 18 August, as it stands, we announce the launching of a call for awarding a research fellowship (RF) in the scope of the research project “AI4Az – Artificial Intelligence for Tile Heritage Safeguard, reference 2024.07297.IACDC.

3 – Financing source

100% by PRR (FF483), Component 5 - “Capitalização e Inovação Empresarial” (Capitalization and business innovation), in the framework of the investment “RE-C05-i08 - Ciência Mais Digital” (More Digital Science), measure RE-C05-i08.m04 – “Apoiar o lançamento de um programa de projetos de I&D orientado para o desenvolvimento e implementação de sistemas avançados de cibersegurança, inteligência artificial e ciência de dados na administração pública, bem como de um programa de capacitação científica” (support the launch of R&D projects program aimed at the development and implementation of advanced cybersecurity, artificial intelligence and data science systems in public administration , as well as a scientific training program).

4 – Scientific area

Graphic and Digital Production, Photography, Multimedia Product Development, Conservation and Restoration, Art and Heritage Sciences and related fields

5 - Duration

The Grant shall be awarded for an 8-month period

6 – Reserve list

A reserve list for selection shall be drawn up for a 6-month period as from the date of the final decision of this call.

7 – Activity Regime

All the work shall be developed on an exclusive dedication regime, as per the provisions laid down in the Statute of the Research Fellow, approved by Law no. 40/2004, 18 August, as it stands, and in LNEC Regulation for Fellowships, available on LNEC website.

8 - Work plan and objectives

Documentation of *azulejo* tile productions in architectural context by high-resolution RGB and hyperspectral imagery. Processing of the collected images by photogrammetry and other digital image procedures. Support to digital mapping of tile pathologies (lack of glaze, lack of elements, fissures, biocolonization, restored areas). In this context, the candidate's aptitude and motivation to work in this area, as well as his/her experience, will be evaluated.

9 - Location

Workplace: LNEC – National Laboratory for Civil Engineering, I.P.

Avenida do Brasil, 101 – 1700-066 Lisboa

Country: Portugal

Website: <https://www.lnec.pt> 

Email: recrutamento@lnec.pt

The activities within the scope of the grant will be carried out at the Conservation of the Natural and Built Heritage Unit of the Materials Department (DM/NCP) and the Applied Geodesy Unit of the Concrete Dams Department (DBB/NGA) of LNEC, without prejudice to the possibility of performing temporary missions in Portugal.

10. - Qualifications

Eligible candidates are students enrolled in a higher professional technical course or in a bachelor's degree in one of the scientific areas mentioned in section 4 or related areas.

The candidate should have the ability to work in multidisciplinary teams, motivation to, and experience in the research activities mentioned in section 8, with preference being given to candidates with experience in graphic and digital production, multimedia product development and/or conservation and restoration (preferably tiles).

11 – Scientific supervision

The activities will be supervised by the assistant researcher Sílvia R. M. Pereira from DM/NCP and the assistant researcher Dora Roque from DBB/NG.

12 - Monthly allowance

The Grant shall include a [monthly allowance](#) ☞ in the amount of € 651.12. The Grant fellow shall also be entitled to a specific social security system and to insurance against personal accidents at work.

13 - Selection methods and criteria

The evaluation of the applications shall be based on the Applicant's Merits (MC), and the following evaluation criteria shall be scored on a 0 to 20 scale.

Applicant's merits:

- Academic Background (PA) – scores of the academic degrees required by this call, namely degree (or equivalent) or MSc – 35%
- Professional Résumé (CP) – scientific and professional career – 35%
- Interview with the selection jury (ES) – 30%

Hence:

$$MC = (0.35 * PA) + (0.35 * CP) + (0.3 * ES).$$

The jury is entitled to decide not to award the Grant if the quality of the applicants is deemed below par.

14 - Selection jury

President:

Sílvia Pereira, Assistant Researcher

Members:

Dora Roque, Assistant Researcher;

Marluci Menezes, Senior Researcher.

Alternates:

José Saporiti Machado, Senior Researcher.

15 - Application documents

1. at the time of the application:

- Letter of motivation (maximum: one A4 page).
- Degree certificate, with indication of the partial scores and final classification.

Foreign certificates shall be valid only if they are dully endorsed by an issuing entity, or if a recognition/equivalence document is produced stating that the foreign qualifications correspond to the same Portuguese qualifications. The respective scores can only be used if they are officially converted to the Portuguese scoring scale (by *DGES – Direção Geral do Ensino Superior* or by a public higher education institution), even if the foreign classification corresponds to a 0 to 20 scale.

- Official document of enrollment in the degree course defined in paragraph 10 of the present notice.

Should the candidate be unable to produce such document, without any fault on his/her part, he/she may replace it by a sworn declaration stating that he/she has been enrolled in the said degree course.

- Detailed Curriculum Vitae.
- Other documents (optional), such as letters of reference and supporting documents of internships or complementary courses considered as relevant for the purposes of this Grant

2. at the time of the awarding of the contract:

- Official document stating that the applicant is enrolled in the degree course defined in 10.
- Necessary information for preparing the contract.

16 – Deadline for applications

Between 05 to 16 May 2025

17 - Formalization of applications

The applications shall be formalized by one of the following means:

- Electronic mail addressed to recrutamento@lnec.pt, until 24h00 of the last day of the stipulated time limit
- directly to the Setor de Arquivo e Expediente Geral of LNEC, at Avenida do Brasil, 101, 1700-066 Lisboa.
- registered letter with acknowledgement of receipt addressed to LNEC, I.P., Avenida do Brasil, nº101, 1700-066 Lisboa; the date of delivery considered for the purpose of compliance with the stipulated time limit being the date of registration

In the last two cases, the applications shall be delivered in a sealed envelope, bearing the following information on the outside: “Concurso para atribuição de uma bolsa de iniciação à investigação (BII) FCT, no âmbito do projeto “AI4Az – Artificial Intelligence for Tile Heritage Safeguard reference 2024.07297.IACDC-3”.

18 - Notification of results

The final score of each evaluation stage shall be advertised in a list sorted by the final score obtained, all applicants being notified by electronic mail. The results shall also be published on the [Recruitment](#)  page of LNEC's website.

19 - Deadlines and procedures for preliminary hearing, claims and appeals

Once the provisional ranked list of the evaluation results has been communicated, applicants who have an unfavourable provisional decision may use their right to dispute it during the preliminary hearing phase (if requested), which takes place within 10 working days, according to the Administrative Procedure Code (CPA).

The final decision shall be disclosed after the analysis of applicants' arguments presented in the preliminary hearing. Final decision can be claimed within 15 working days or, alternatively, appealed to the Board of Directors, within 30 working days, after the communication of the final results, respectively.

20 - Further information

Additional information can be obtained by phone: +351 218 443 892 or +351 218 443 216 or by electronic mail to the address referred to in 17. The applicants living outside of Portugal can also refer to the portal [EURAXESS Portugal](#) .
